

Year 2	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Topic/key question	Why do we need friends? What happens in autumn?	Why does it get dark? How do we stay safe?	Why do we need to look after our planet? What happens when fairy tales collide?	Why is sharing important? How can we stay happy and healthy?	What makes humans special? Can we be anything we want?	Why is nature so amazing? There's no place like me...?
Key Talk for Writing Texts	Frog and Toad Together Pumpkin Soup	The Owl Who Was Afraid of the Dark The Hodgeheg	The Flower Who's Afraid of the Big Bad Book?	Not Now Bernard Flat Stanley	Dr Xargles Book of Earthlets Amazing Grace	Gorilla Meercat Mail
Supplementary books	Something Else Pip and Egg Meesha Makes Friends Walk Tall The Leaf Thief	Books from Jill Tomlinson Collection Owl Babies The Very Helpful Hedgehog Herbie's Big Adventure	The tiny seed Bloom The little gardener Mixed up fairy tales. The Tin Forest	The Squirrels Who Squabbled Fair Shares It's Mine Noris, The Bear Who Shared The Sharing Circle	Once upon an ordinary school day. The dot Kindness is my superpower Peter pan	Class 2 at the Zoo One night in the Zoo The Jolly Postman Herman's letter
Wow moments and experiences	Autumn disco Poem performance Forest school	Remembrance assembly with a visit from a soldier. Football fiesta performance. Nativity in church performance. Local carol singing in the community. Christmas panto trip to the theatre.	Forest school Reading café Poem performance	Art day Reading café Poem performance	Science week Reading café Poem performance	Seaside trip Reading café Poem performance

					material, both those that they listen to and those that they read for themselves	read for themselves, taking turns and listening to what others say How to explain and discuss their understanding of books, poems and other material, both those that they listen to and those that they read for themselves
Reading comprehension Skills	<p>I can discuss the meanings of words: link new meanings to known vocabulary</p> <p>I can discuss my favourite words and phrases</p> <p>I can recognise some repeating language in stories and poems</p> <p>I can make inferences about characters feelings using what they say and do.</p> <p>I can infer simple points and begin, with support, to pick up on evidence.</p> <p>I can answer and ask questions and modify answers as</p>	<p>I can discuss and express my views about a story. For example: sharing ideas on likes and dislikes within the book, discussing favourite parts of the story and why etc (at a level beyond that at which they can read independently).</p> <p>I can draw on what I already know or draw on background information and vocabulary provided by the teacher</p> <p>I can make inferences based on what is being said and done and predict what might happen based on what has been read so far?</p>	<p>I can predict what might happen on the basis of what has been read in terms of plot, character and language so far.</p> <p>I can make predictions using my own knowledge as well as what has happened so far.</p>	<p>I can explain and discuss my understanding of narrative, information books and poems.</p> <p>I can express my own views about a book or a poem.</p> <p>I can discuss some similarities between books.</p> <p>I can listen to the opinion of others.</p>	<p>I can independently read and answer simple questions about what I have just read.</p> <p>I can ask and answer retrieval questions.</p> <p>I can draw on previously taught knowledge to find the cue in the question.</p> <p>I can remember significant events and key information about the text that I have read.</p> <p>I can monitor my reading, checking words I have decoded, to ensure that they fit within the text I have already read.</p>	<p>I can discuss the sequencing of vents in books and how items of information are related.</p> <p>I can retell using a wider variety of story language.</p> <p>I can order events from the text.</p> <p>I can begin to discuss how events are linked focusing on the main contents of the story.</p>

	<p>the story progresses. I can use pictures or words to make inferences.</p>	<p>I can confidently answer and ask questions. I can participate in discussions about books taking turns and listening to what others say</p>				
Mathematics	<p><u>Number and Place Value</u></p> <p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Be able to count in steps of 2 and 5 from 0, and in tens from any number, forward and backward • Be able to recognise the place value of each digit in a two-digit number (tens, ones) • Be able to identify, represent and estimate numbers using different representations, 	<p><u>Addition and Subtraction</u></p> <p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Be able to read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs • Be able to represent and use number bonds and related subtraction facts within 20 • Be able to add and subtract one-digit and two-digit numbers to 20, including zero • Be able to solve one-step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 - \square = 9$. <p><u>Addition and Subtraction Skills</u></p>	<p><u>Money</u></p> <p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Be able to recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value? • Be able to find different combinations of coins that equal the same amounts of money? • Be able to solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change? <p><u>Skills</u></p> <ul style="list-style-type: none"> • I can recognise the symbols for pounds £ and pence p. 	<p><u>Measurement - Length and Height.</u></p> <p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Be able to choose and use appropriate standard units to estimate and measure length/height in any direction (m/cm) to the nearest appropriate unit, using rulers, scales. • Be able to compare and order lengths and record the results using $>$, $<$ and $=$? <p><u>Skills</u></p> <ul style="list-style-type: none"> • I can choose the correct standard unit 	<p><u>Fractions</u></p> <p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Be able to recognise, find, name and write fractions $1/3$, $1/4$, $2/4$ and $3/4$ of a length, shape, set of objects or quantity? • Be able to write simple fractions <i>For example, $1/2$ of 6 = 3 and recognise the equivalence of $2/4$ and $1/2$?</i> <p><u>Skills</u></p> <ul style="list-style-type: none"> • I can recognise and name $1/3$, $1/4$, $2/4$ and $3/4$ of a length, shape, set of objects and a quantity. 	<p><u>Statistics</u></p> <p><u>Knowledge</u></p> <ul style="list-style-type: none"> • Be able to interpret and construct simple pictograms, tally charts, block diagrams and simple tables. • Be able to ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity. • Be able to ask and answer questions about totalling and comparing categorical data. <p><u>Skills</u></p>

	<p>including the number line</p> <ul style="list-style-type: none"> • Be able to compare and order numbers from 0 up to 100; use and = signs • Be able to read and write numbers to at least 100 in numerals and in words • Be able to use place value and number facts to solve problems. <p>Skills</p> <ul style="list-style-type: none"> • I can count in multiples of 2, 5 and 10 forwards and backwards. • I know that a 2 digit number is made of tens and ones. • I can identify a number and discuss the tens and ones that 	<ul style="list-style-type: none"> • I can confidently read, write and interpret mathematical signs and say what they mean. • I know my number bonds to 20 and can use these to solve problems. • I can add and subtract one-digit and two-digit numbers and can do this in different ways. <i>Example: show it using objects, drawing dienes, using numicon and show formal written methods such as column method.</i> • I can solve problems using my addition and subtraction methods. I can explain how I reached my answer to someone else. <p>Shape Knowledge</p> <ul style="list-style-type: none"> • Be able to identify and describe the properties of 2-D shapes, including the number of sides and line symmetry in a vertical line? • Be able to identify and describe the properties of 3-D shapes, including the number of edges, vertices and faces? 	<ul style="list-style-type: none"> • I can recognise different coins and notes. I can say the value of each coin and note. • I can make amounts using coins and notes. • I can make the same amount in different ways using a range of coin combinations. <i>Example: 20p = 10p + 10p or 5p + 5p + 10p etc</i> • I can solve problems using money and my addition and subtraction skills. <i>Example = The toy cost 43p and the bag is 5p. You have 50p do you have enough money to pay for the bag and toy?</i> • I can solve problems that include giving change. <i>Example = The bag of sweets cost 20p you pay with a 50p coin. How much</i> 	<p>to measure length and height in.</p> <ul style="list-style-type: none"> • I can use different equipment to measure accurately Example: rulers, tape measure, meter stick etc • I can estimate to the nearest appropriate unit when measuring. • I can compare lengths and heights and use the mathematical symbols to do this (< > =). • I can order lengths and heights. <i>Example: longest to shortest, tallest to smallest but also shortest to longest and smallest to tallest etc.</i> <p>Measurement – Mass, capacity and Temperature.</p> <p>Knowledge</p> <ul style="list-style-type: none"> • Be able to choose and use appropriate standard units to 	<ul style="list-style-type: none"> • I can find $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$ and $\frac{3}{4}$ of a length, shape, set of objects and a quantity. • I can write $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$ and $\frac{3}{4}$ of a length, shape, set of objects and a quantity. • I can write simple fractions and recognise simple equivalence <i>Example - $\frac{2}{4}$ is the same as $\frac{1}{2}$.</i> <p>Time</p> <p>Knowledge</p> <ul style="list-style-type: none"> • Be able to compare and sequence intervals of time? • Be able to tell and write the time to 15 minutes, including quarter past/to the hour and draw the hands on a clock face to show these times? • Be able to know the number of minutes in an hour and the 	<ul style="list-style-type: none"> • I can interpret simple pictograms, tally charts, block diagrams and simple tables. • I can construct simple pictograms, tally charts, block diagrams and simple tables. • I can ask simple questions about simple pictograms, tally charts, block diagrams and simple tables. • I can answer questions about simple pictograms, tally charts, block diagrams and simple tables by counting number of each objects in each category. <i>Example: which one was the most popular? Which one had fewer votes?</i>
--	--	--	--	---	---	---

	<p>make that number.</p> <ul style="list-style-type: none"> I can show my understanding of numbers in different ways. Example: I can draw the dienes to represent the tens and ones in a 2 digit number, I can show the same number in different ways using objects and pictures. I can compare numbers using the correct mathematical signs (< > =). I can order numbers to 100. I can read numbers to 100 in numerals and words. I can write numbers to 100 in 	<ul style="list-style-type: none"> Be able to identify 2-D shapes on the surface of 3-D shapes, [for example, a circle on a cylinder and a triangle on a pyramid] Be able to compare and sort common 2-D and 3-D shapes and everyday objects? <p>Shape Skills</p> <ul style="list-style-type: none"> I can identify 2D shapes. I can describe the properties of 2D shapes by saying how many sides and vertices the shape has. <i>Example: a square has 4 sides that are all the same and 4 vertices.</i> I can say if a shape has lines of symmetry and what symmetrical means. I can identify 3D shapes. I can describe the properties of 3D shapes by saying how many faces, edges and vertices the shape has. <i>Example: A cube has 6 faces, 12 edges and 8 vertices.</i> I can identify the 2D shapes that are on the 	<p><i>change will you get back?</i></p> <p>Multiplication and Division</p> <p>Knowledge</p> <ul style="list-style-type: none"> Be able to recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers Be able to calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication (x), division (÷) and equals (=) signs Be able to show that multiplication of two numbers can be done in any order (commutative) and division of one 	<p>estimate and measure length/height in any direction (m/cm); mass (kg/g); temperature (°C); capacity (litres/ml) to the nearest appropriate unit, using rulers, scales, thermometers and measuring vessels?</p> <ul style="list-style-type: none"> Be able to compare and order lengths, mass, volume/capacity and record the results using >, < and = ? <p>Skills</p> <ul style="list-style-type: none"> I can choose the correct unit of measurement to use. I can discuss my reasons for choosing that unit. <i>Example: I chose to measure this in kg not g because we know it will be heavy.</i> I can estimate and measure to the 	<p>number of hours in a day?</p> <p>Skills</p> <ul style="list-style-type: none"> I can compare intervals of time Example – 1 hour is longer than 1 minute. I can sequence intervals of time Example: 10am comes before 1pm etc. I can order my routine of the day to match the times I do things. I know what the different hands show on the clock. I know that the numbers on the clock represent 5 minute intervals. I know my time facts. <i>Example: there are 24 hours in a day. I know there are 365 days a year. I know there are 60 minutes in an hour. I know there are 60 seconds in a minute.</i> 	<ul style="list-style-type: none"> I can ask questions about totalling and comparing categorical data I can answer questions about totalling and comparing categorical data <i>Example: how many children took part in the survey all together? How do you know this?</i> <p>Position and Direction</p> <p>Knowledge</p> <ul style="list-style-type: none"> Be able to order and arrange combinations of mathematical objects in patterns and sequences? Be able to use mathematical vocabulary to describe position, direction and movement,
--	---	--	--	---	--	---

	<p>numerals and words. Example: 21, Twenty One.</p> <ul style="list-style-type: none"> I can solve problems using my understanding of place value. <p>Example: The 2 represents 2 tens which is 20. The 7 represents 7 ones.</p> <ul style="list-style-type: none"> I can solve problems using number facts. Example: $7 + 3 = 10$ so $17 + 3 = 20$ <p>Addition and Subtraction</p> <p>Knowledge</p> <ul style="list-style-type: none"> Be able to read, write and interpret mathematical statements involving addition 	<p>surface of the 3D shapes. Example: a cylinder has a circle face on each end.</p> <ul style="list-style-type: none"> I can compare and sort 2D and 3D shapes including everyday objects. I can discuss my reasoning for the choices I make. 	<p>number by another cannot</p> <ul style="list-style-type: none"> Be able to solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts, including problems in contexts. <p>Skills</p> <ul style="list-style-type: none"> I can count in multiples of 2, 5 and 10. I can recall and use multiplication and division facts for 2, 5 and 10s. Example: I know that numbers in the 5 times table always end in 5 or a 0. Therefore, I know the number 105 would be in the 5 times table. I know my odd and even numbers. I can say if a number is odd or even by 	<p>nearest appropriate unit.</p> <ul style="list-style-type: none"> I can measure mass, capacity and temperature in different ways using different equipment. <ul style="list-style-type: none"> Scales Thermometer Jugs with different scales Containers with different scales. I can compare mass, capacity and temperatures using the mathematical symbols ($<$, $>$, $=$) I can order mass, lengths and capacity. 	<ul style="list-style-type: none"> I can tell the time to 15 minutes confidently. Including using the language quarter past, half past, quarter to. I can draw the hands on the clock face to represent a given time. I know the difference between the hands and how to show this in my drawing. 	<p>including movement in a straight line and distinguishing between rotation as a turn and in terms of right angles for quarter, half and three-quarter turns (clockwise and anticlockwise)?</p> <p>Skills</p> <ul style="list-style-type: none"> I can order and arrange objects in patterns and sequences. I can spot a mistake in a pattern and correct it. I can describe the position, direction and movement using the following mathematical vocabulary: <ul style="list-style-type: none"> Straight line Turn

Science skills	<p><u>Living things and their habitat</u></p> <p>I can ask questions and use secondary sources to find out about the life cycles of some animals.</p> <p>I can organise things into groups (living, non-living).</p> <p>I can gather information/data to answer a question (is a pumpkin a fruit or vegetable?).</p> <p>I can explain the life cycle of some</p>	<p><u>Living things and their habitat</u></p> <p>I can match certain living things to the habitats they are found.</p> <p>I can name characteristics of an animal that help it live in a particular habitat.</p> <p>I can identify animals/plants by a specific criteria.</p> <p>I can suggest more than one way of grouping animals and plants and explain their reasons.</p>	<p><u>Plants</u></p> <p>I can explain why it might not be fair to compare two things.</p> <p>I can explain whether things happened or not, as predicted and why.</p> <p>I can measure using simple equipment.</p> <p>I can use scientific words to describe what they have seen and measured.</p> <p>I can observe and describe how seeds and</p>	<p><u>Materials</u></p> <p>I can compare and group together a variety of different materials based on their physical properties.</p> <p>I can find simple patterns.</p> <p>I can sort materials into natural or which are man-made groups.</p> <p>I can investigate how things move on different surfaces.</p>	<p><u>Animals, including humans</u></p> <p>I can classify foods in a range of ways.</p> <p>I can investigate the effect of exercise on bodies.</p> <p>I can use pictures, charts, or tables to record my observations.</p> <p>I can measure and observe how animals including humans grow.</p>	<p><u>Materials</u></p> <p>I can suggest ways of finding out through listening, hearing, smelling, touching and tasting.</p> <p>I can discuss ways to protect our planet.</p> <p>I can find out about people who developed new material.</p>

	living things (frog, pumpkin) using diagrams and text.	I can describe a range of habitats.	bulbs grow into mature plants.			
History Knowledge		Know about how life was different and similar during different stages in history Know and understand key features of events by asking questions and using different sources of evidence		Know some interesting facts from an historical event, such as where the 'Fire of London' started Know why Britain has a special history by naming some famous events and some famous people		Know how their local area was different in the past Know and give examples of how things that are different in their life from that of their grandparents when they were young
History skills		I can make comparisons between how life is now and was then in different stages of history I can study evidence and develop how to ask questions to find out more		I can sequence a set of events in chronological order and give reasons for the order I can use a range of appropriate words and phrases to describe the past		I can use words and phrases such as: before I was born, when I was younger I can use phrases and words like: 'before', 'after', 'past' 'present' 'then' and 'now'
Geography knowledge	Know the 7 continents of the world and locate them on a map. Know and explain key physical features of a place (Science link: how animals and plants		Know how to use the four main directions of the compass (Maths links). Know some map symbols (river, church, roads etc)		Know and compare the facilities of a village, town and city, and how their needs differ (eg types of jobs). Know the capital cities of England, Wales, Scotland and Northern Ireland.	

	adapt to survive different habitat and terrain).		Know the world's 5 oceans and locate them on a map.		Know there are contrasting climates (hot countries and cold countries) across the globe.	
Geography skills	<p>I can use world maps, atlases and globes to identify the countries and continents and oceans.</p> <p>I can describe a place outside Europe using geographical words.</p> <p>I can make comparisons between different continents.</p>		<p>I can express views about the environment and pollution (cross curricular links).</p> <p>I can use simple compass directions.</p> <p>I can use directional vocabulary such as near, far, left right to explain where a location is (Maths links).</p> <p>I can recognise basic map symbols and use these in a key.</p>		<p>I can plot the capital cities of England, Wales, Scotland and Ireland.</p> <p>I can describe geographical similarities and differences of the UK and a contrasting non-European country.</p>	
Design technology knowledge	<p><u>Building structure stem challenges.</u></p> <p>Know what simple design criteria is and how it can be used to create a product.</p> <p>Know how to evaluate their design against criteria.</p>	<p><u>Nest building</u></p> <p>Know how to follow safe procedures for food safety and hygiene (Christmas cakes)</p> <p>Know how to join and combine materials.</p> <p>Know how to test a product works.</p>	<p><u>Jack and beanstalk problem solving challenge.</u></p> <p>Know how to design a product they intend to make to solve a problem.</p> <p>Know and use the correct key vocabulary relevant to the project.</p>	<p><u>Fabric people project.</u></p> <p>Know how to cut shape and join fabric to make a simple product.</p> <p>Know how to choose and use appropriate finishing techniques.</p> <p>Know confidently the evaluating process of a product.</p>	<p><u>Balloon powered car project</u></p> <p>Know how to use hand tools safely and appropriately.</p> <p>Know how to measure, cut and score with some accuracy.</p> <p>Know how to use joining techniques to combine materials.</p>	<p><u>Waterslide challenge</u></p> <p>Know how to generate and develop design ideas presented in labelled drawings (water slide project).</p> <p>Know how to choose appropriate methods of assembling materials to make a quality product that works (waterproof).</p>

<p>Design technology Skills</p>	<p>I can generate ideas by drawing on my own and other people's experiences.</p> <p>I can assemble a design using selected materials and components based on the design criteria.</p>	<p>I can identify a purpose for what I intend to design and make.</p> <p>I can assemble, join and combine materials to make a product.</p> <p>I can evaluate my design and identify strengths.</p>	<p>I can develop design ideas through discussions, observations.</p> <p>I can create drawings and label parts.</p> <p>I can select tools and components that I need.</p> <p>I can evaluate my product identifying possible changes to improve my work.</p>	<p>I can discuss my ideas and say what I like and dislike.</p> <p>I can say what worked and what didn't.</p> <p>I can select tools and materials using the correct vocabulary.</p>	<p>I can use hand tool safely.</p> <p>I can measure with some accuracy.</p> <p>I can use a range of tools and equipment to perform practical tasks.</p>	<p>I can develop and communicate ideas through drawings and mock ups.</p> <p>I can confidently evaluate my product as it develops to make ongoing improvements.</p>
<p>Art Knowledge</p> <p>Responding to art weaved throughout</p>	<p><u>Painting and texture</u></p> <p>Know and understand the colour wheel and colour spectrums.</p> <p>Know colour combinations.</p> <p>Know and discuss the features of an artist's work (Andy Goldsworthy).</p> <p>Know that lines and patterns can be added to drawings for effect.</p>	<p><u>Painting and 3D work</u></p> <p>Know a range of painting styles.</p> <p>Know how art is used to contribute to the culture and creativity of the nation. (Remembrance poppies art work in local community).</p> <p>Know how to manipulate malleable material to create an imaginary or realistic form (salt dough Hedgehog).</p> <p>Know how to impress and apply decorating techniques which includes painting (spiky detail, painting tones).</p>	<p><u>Printmaking and texture</u></p> <p>Know that printing means to make a copy and repetition is created by using the same print multiple times.</p> <p>Know how to produce a clean printed image.</p> <p>Know how to experiment with overprinting motifs and colour.</p> <p>Know how to create a print inspired by another artist's work (O'Keeffe).</p>	<p><u>Drawing</u></p> <p>Know how to create a tonal drawing.</p> <p>Know different materials can be used for drawing such as pencils, charcoal, sugar paper, sketchbooks.</p> <p>Know the use of different grades of pencils (HB, 2B, 4B)</p> <p>Know how art and design contributes to the culture and creativity of our nation (school art event and showcase).</p>	<p><u>Landscape painting</u></p> <p>Know what a landscape is (natural scenery).</p> <p>Know how to replicate the textures within a landscape.</p> <p>Know a famous local artist (Derby painter Joseph Wright 'painter of light').</p> <p>Know and explain how an artist has used colour, pattern and shape in their work.</p>	<p><u>3D work (clay animal tiles) and texture</u></p> <p>Know art can take on many forms.</p> <p>Know and understand the properties of clay (what clay can/can't do).</p> <p>Know how to join clay using the scratch and slip technique.</p> <p>Know how to use tools and equipment safely.</p>

			Know and discuss how an artist shaped history (O’Keeffe).			
Art skills	<p>I can confidently mix colour shades tints and tones.</p> <p>I can use Goldsworthy’s art to inspire my own art (transient art).</p> <p>I can use natural materials (stones, leaves, feathers) to investigate textures and produce an expanding range of patterns.</p> <p>I can use line and tone in different media to consider shape, shade, pattern and texture (pastel pumpkins).</p>	<p>I can confidently control the types of marks made in a range of painting techniques (painting poppies to set the scene of the remembrance poem)</p> <p>I can reflect on the success of my painting (does it represent the poem?).</p> <p>I can use suitable tools to produce appropriate marks (thin tipped paintbrush to paint delicate features on the Hedgehog).</p>	<p>I can explore printing simple pictures with a range of hard and soft materials.</p> <p>I can demonstrate impressed printing (printing from other objects).</p> <p>I can demonstrate experience in surface patterns/ textures (foil flowers).</p> <p>I can reflect on the success of my work and identify what I could develop further.</p>	<p>I can explore drawing light/dark lines, light/dark patterns and light/dark shapes using a pencil (tonal art).</p> <p>I can use drawing, painting and sculpture to develop and share ideas and experiences. (Art day)</p> <p>I can express links between colour and emotion. (bridge the gap, health and well-being)</p>	<p>I can express a clear preference when looking at creative work and give reasons.</p> <p>I can confidently control marks using a range of mixed media. (Derby landscape)</p> <p>I can describe the similarities between different practices and make links to my own work (compare landscapes by O’keeffe and J. Wright)</p>	<p>I can use equipment and media with increasing confidence.</p> <p>I can explore carving as a form of 3D art.</p> <p>I can use key vocabulary confidently.</p> <p>I can confidently evaluate my work and reflect on what went well and identify what I could develop further.</p>
Music Knowledge	<p>Know how to read, respond and perform word-pattern chants (eg ca-ter-pil-lar)</p> <p>Know how to create, retain and perform their own chanted rhythm patterns.</p>	<p>Know how to sing with a pitch range and increasing vocal control.</p> <p>Know the meaning of dynamics (loud/quiet) and tempo (fast/slow)</p>	<p>Know how to identify the beat of a tune.</p> <p>Know and understand the stories, origins, traditions, history and social context of the music that they are listening to, singing and playing.</p>	<p>Know how to compose and improvise musical conversation with a partner.</p> <p>Know the speed of a beat can change, creating a faster or slower pace (tempo).</p>	<p>Know how to use graphic symbols, dot notation and stick notation as appropriate.</p> <p>Know the graphic symbols crescendo, decrescendo and pause.</p>	<p>Know and understand the graphic symbols of stick notations such as crochet, quavers and crochet rests.</p> <p>Know how to represent chanted rhythm patterns with stick notations.</p>

Music Skills	<p>I can listen to sounds in the local school environment, comparing high and low sounds.</p> <p>I can copy a rhythm, copy a leader, and invent a rhythm for others to copy.</p>	<p>I can sing short verses independently within a singing game.</p> <p>I can respond to pitch change in a song.</p>	<p>I can group beats in twos and threes by tapping knees on the strongest beat and clapping the remaining beats.</p> <p>I can explore percussion sounds to enhance storytelling eg. Ascending xylophone notes to suggest Jack climbing the beanstalk.</p>	<p>I can explore and create music from a non-musical stimulus (eg storm, rocket launch).</p>	<p>I can recognise visual symbols and stick notation.</p> <p>I can sing and respond to visual symbols.</p>	<p>I can explore and create my own chanted rhythm patterns.</p> <p>I can perform my own chanted rhythm pattern with stick notations.</p>
Religious education						
Physical Education Knowledge	<p>Team building</p> <p>Know how to participate in team games, developing simple tactics for attacking and defending</p> <p>Know how to develop their communication and problem-solving skills</p> <p>Know how to work individually, in pairs and small groups</p>	<p>Gymnastics</p> <p>Know how to explore and develop basic gymnastic actions on the floor and using apparatus</p> <p>Know how to jump, roll, balance and travel individually and in combination to create short sequences and movement phrases</p> <p>Know how to develop sequences to include the use of shapes, levels and directions</p>	<p>Yoga</p> <p>Know different yoga poses and techniques that will help them to connect their mind and body and perform these with control</p> <p>Know how to develop strength, flexibility and balance</p> <p>Know how to develop mindfulness and body awareness</p> <p>Fitness</p>	<p>Sending and receiving</p> <p>Know to throw, catch, roll, kick, track and stop a ball</p> <p>Know how to use equipment to send and receive a ball</p> <p>Know how to develop the skills learnt in Year 1</p> <p>Target games</p> <p>Know how to develop their aim using both underarm and overarm</p>	<p>Striking and fielding</p> <p>Know how to throw, catch, stop a rolling ball, retrieve a ball and strike a ball</p> <p>Have an understanding of striking and fielding games such as Rounders and Cricket</p> <p>Know rules of games and how to use them fairly</p> <p>Know how to score points and how to create and use tactics</p> <p>Ball skills</p>	<p>Athletics</p> <p>Know how to run at various speeds, change direction, jump and throw</p> <p>Know how to perform skills and measure performance, competing to improve on their own score and against others</p> <p>Know how to work collaboratively as well as independently</p>

<p>Know what a leader is and how to demonstrate good leadership skills</p> <p>Know how to develop strategies and tactics to form a plan</p> <p>Compete with some awareness in team games</p> <p>Dance</p> <p>Know how to perform dances using simple movement patterns</p> <p>Know how to explore space and how their body can move to express an idea, mood, character or feeling</p> <p>Expand their knowledge of travelling actions</p>	<p>Know how to work safely with and around others and whilst using apparatus</p> <p>Know how to provide feedback to others and recognise elements of high quality performance</p>	<p>Know how to explore and develop agility, balance, co-ordination, speed and stamina showing control and consistency</p> <p>Know how to develop their balance and co-ordination skills</p> <p>Know how to control speed and develop stamina</p> <p>Know how to develop perseverance and determination</p>	<p>actions with control and consistency</p> <p>Know how to select and apply the appropriate action for the target considering the size and distance of the challenge</p> <p>Know how to apply their skills individually, in pairs and in small groups and begin to organise and self-manage their own activities</p>	<p>Know how to develop their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball</p> <p>Know how to set challenges for themselves</p> <p>Know how to explore their own ideas in response to tasks</p>	<p>Know how to improve by identifying areas of strength as well as areas to develop</p>
--	---	--	--	---	---

	<p>and use them in relation to a stimulus</p> <p>Know how to respond and provide helpful feedback to others' performances</p>
