

- Draw and label your own castle.

Learn: [Medieval and Middle Ages History Timelines - Parts a castle \(timereference.com\)](https://www.timereference.com/medieval-and-middle-ages-history-timelines-parts-a-castle)

- See separate weekly links on dojo.

Computing/Technology

- Go on a hunt around your house and make a list of all the different technology you have!

- Try various exercises for 1 minute each. After each exercise, stop and feel how fast your heart is beating. Which exercise made your heart beat the fastest?

Design & Technology

Can you build a castle out of cereal/cardboard boxes?

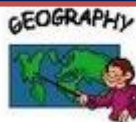

Can you draw and colour your very own castle? What does it look like?
Can you make a castle using things in your house?

Have a go at any of the following on Youtube:

Cosmic kids yoga
Jump Start Johnny
PE with Joe Wicks

Have a chat with your grown up about this question:
Is a hill a good place to build a castle? Why/why not?
Can you write your answer on some paper?

Imagine you lived in a castle! Watch the video and write down 3 things that are different between living in a castle and living in your home.
