Dear Parents and Carers,

Just to remind you that school closes at the normal times for children on Friday 14th February for half term and reopens at the normal times on Monday 24th February.

From the 24th February we are going to try all children coming in to classes through their own classroom doors. This already happens for nursery and classes 7, 8 and 9. So we would like to try it with classes 1, 2, 3, 4, 5 and 6.

We are hoping that this is easier for parents, but especially children, as it will avoid the general rush in the cloakrooms first thing and will allow children to be straight in to classes with their teachers and class friends. It will also allow the children to settle more quickly to their learning for the day.

Please remember the following:

Doors will open at 8:45am and will close at 8:55am. Any child arriving after doors are closed will have to go to the main office. This is for reasons of safeguarding.

Please do not come up the steps with your children. I say this from the point of view of health and safety and safeguarding reasons only. These areas are tricky and need to be managed carefully.

Thank you in anticipation of your co-operation.

Kind regards.

Miss Deb Ward
